CLUB INFORMATION

Terrace Peaks History

The Terrace Peaks Gymnastics Club was started in the early 1970's by John and Ellen Simon (who coached the competitive group), the principal of Clarence Michiel Elementary School, and Les Orr (who coached the recreational group). These individuals volunteered their time in the belief that a gymnastics club would be beneficial to our community.

For many years the Terrace Peaks Gymnastics Club used the equipment of Clarence Michael Elementary School. This meant that every piece of equipment required for training needed to be taken out, set up, dismantled and put away each day it was used.

Ed Fairless and other dedicated parents spent many hours tirelessly moving equipment so gymnasts could train. Ed's daughters (Kris and Kim) were among the gymnasts training at that time. According to his wife, Wanda Fairless, this promoted Ed to state, "The club needs it's own gymnasium so that other parents don't need to go through what we had to go through." It was with genuine concern, the dedication of countless volunteers, and the endless hours put in by everyone involved that enabled the vision of Ed Fairless to become a reality - The ED FAIRLESS MEMORIAL GYMNASIUM.

In 2017, the legacy continued, and Phase 2 was built giving the club a much-needed dedicated office space, mudroom, updated bathrooms, and a multipurpose area.

Terrace Peaks Mission Statement

Terrace Peaks Gymnastics Club strives to provide recreational and competitive gymnastics instruction for all ages and abilities. We emphasize "Safety", "Team Spirit", "Fun", "Fitness", and "Progressive Development" at all levels. We aim to help children develop self-confidence through mental and physical perseverance and pride in their accomplishments. It is our goal to allow each participant the opportunity to become the best athlete they can be.

Terrace Peaks Board of Directors

The Terrace Peaks Board is made up of volunteers who are committed to delivering our club mission. Coming from a variety of backgrounds, the Board guides overall club planning and policy development. Board members are responsible for a portfolio that capitalizes on their experience, skills and abilities. The Board of Directors is led by an Executive Committee consisting of the President, Vice-President, Treasurer, and Secretary. Any parent of a child in our programs can be nominated for the board elections at the Annual General Meeting, which is held in September of each year.

Terrace Peaks is a not-for-profit organization. The club relies heavily on fundraising, donations, and community & government support to help with operating costs and purchasing new equipment.

Our organization is funded in part by viaSport BC, the Province of British Columbia, and the Government of Canada.
